---

## SUMMARY

Innovative Computer Science Engineering student with internship experience in the DEPI Web Development track. Skilled in HTML, CSS, JavaScript, Bootstrap and GitHub, with a passion for building clean, responsive websites and growing toward full-stack development.

---

## EDUCATION

**Egypt-Japan University of Science and Technology (E-JUST)** **Oct 2023 - Expected 2028**

Bachelor of Computer Science Engineering - CSE

- Current CGPA: 3.78 / 4.0
- Focus: Applied research, problem-solving, and real-world project experience

**Gharbiya STEM School** **Oct 2020 - Jul 2023**

High School Diploma

- Completed based on scientific research, innovation, and project-based learning.
- 

## EXPERIENCE

**Digital Egypt Pioneers Initiative - DEPI internship** **July 2025 - Present**

Web Development Track

- Currently receiving hands-on training in front-end and back-end web development.
  - Building practical experience with tools and technologies related to HTML, CSS, JavaScript, and web frameworks.
  - Engaging in workshops and guided projects to strengthen software engineering and UI/UX design principles.
- 

## PROJECTS

**The Daily Wizard - HTML, CSS, JS | <https://github.com/ShahdHamdy386/The-Daily-Wizard>**

- Built a multi-page responsive Harry Potter-themed website with sections for home, characters, movies, famous quotes, writer, and contact.
- Added a functional contact form that allows visitors to send messages directly through the site.
- Designed a Sorting Hat game to add interactivity and improve user engagement.

**Finder Home Page – HTML, CSS, JS | <https://shahdhamdy386.github.io/Finder-Home-Page/>**

- Recreated a modern homepage design to practice advanced styling and responsive techniques.
- Focused on layout structure, typography, and clean UI design.

## Coffee Shop Landing Page – HTML, CSS | <https://github.com/ShahdHamdy386/coffee-shop-landing-page>

- A modern and responsive landing page for a Coffee Shop, built with HTML5, CSS3, and Bootstrap 5.
- Focused on responsive design and user-friendly alignment to improve accessibility.

## SKILLS

### Technical Skills:

- HTML5, CSS3, JavaScript, Bootstrap, GitHub.
- Responsive Web Design, UI/UX Basics, Website Deployment.

### Soft Skills:

- Problem-Solving & Debugging
  - Teamwork & Collaboration
  - Communication Skills
  - Time Management & Adaptability
- 

## CERTIFICATIONS

- IBM SkillsBuild – Web Development Fundamentals (2025)
  - Digital Egypt Pioneers Initiative (DEPI) – Web Development Track (Ongoing)
- 

## LANGUAGES

- **Arabic:** Native.
  - **English:** Proficient.
- 

## EXTRACURRICULARS

### FABLAB Team – Gharbiya STEM School

- Taught lower grade students how to use Arduino for electronics and prototyping.
- Helped organize workshops and hands on training sessions.
